

## Marlow & District Railway Society

The Society was founded in 1977 with members from a wide range of backgrounds and having many interests. Meetings are held on the third Thursday of each month at Bourne End Community Centre, close to the railway station on the branch from Maidenhead.

Meetings assemble at 7.15 for a start at 7.30pm and consist of an illustrated talk on a railway topic. Free car parking is available from 7.00pm. There is usually a break at half time to enable a visit to the bar if required.

'The Marlow Donkey' magazine (named after the former steam train on the branch) is published every quarter with articles and photographs from members. In addition, members with e-mail can receive frequent newsletters with updates on MDRS events, passing steam tours and local railway news.

A visit to our website [www.mdrs.org.uk](http://www.mdrs.org.uk) will find details of forthcoming talks and events and with a PDF reader our Programme Flyer can be downloaded. There is a Gallery of railway photographs, plus information on local railways and previous editions of 'The Marlow Donkey' can be accessed.
